**THEY SAY
IT TAKES A VILLAGE**

Photo: Christina Sampson

We are delighted to welcome you to the Inaugural Hamptons Mystery & Crime Festival, aka “Hamptons Whodunit.”

When we hatched this idea in September 2022, we had no idea what a tremendous response we would receive or that we would be able to lure so many brilliant participants. It is an honor to have such an esteemed group of authors, filmmakers, legal experts, media personalities and law enforcement as part of our incredible line-up. The talent we have gathered for conversations and panels far surpasses our expectations.

They say it takes a village, and in this case, it certainly does. We are so grateful that our East Hampton Village businesses, inns and restaurants, as well as residents, have all come together to support our festival. Our goal was to create an off-season community event that would offer programming for all ages. Additionally, we were determined to offer free activities and keep costs down. With our supporters' and sponsors' assistance, we were able to do just that.

Our committee and staff have worked tirelessly for the past seven months to bring you the best possible experience. We may have some growing pains and we apologize in advance for any rookie mistakes. Hopefully everything will go as smoothly as possible.

Thank you for being part of history! And now it is time for some mystery, crime, drama and thrills. Please sit back, relax and enjoy the weekend!
